

AV Instructions

Magistrate CR 5

Monitors are provided on Counsel Tables and Judges Bench for Evidence viewing.

Monitors located at the podium and witness stand have on screen annotation features.

The Jury will view the 8 ft. Projector screen directly across for the jury box. Additional Jury monitors are available if necessary.

VGA laptop inputs with audio are located at counsel table and podium. The Courtroom Deputy will switch between the necessary inputs at your request.

The Document Camera is located at the podium. The power button is on the right rear panel and the focus and zoom controls are on the front. This Elmo can also accommodate AV inputs for external devices such as video tape, DVD or cameras. Counsel must provide their own playback device. The Court is available to connect and test your equipment anytime.

There are 6 fixed microphones and 3 wireless mics available.

Video Conference equipment is available.

Infrared hearing and interpreter equipment is available.

If you have special AV needs, we will try to accommodate you. Please call our Helpdesk at 901-495-1350 prior to your trial or hearing date with any special request.
