Magistrate Judge Charmiane G. Claxton	ECF_Judge_Claxton@tnwd.uscourts.gov

** There are special procedures for submitting proposed orders or other proposed documents, and they are more fully explained in the ECF User Manual. Generally, however, if an E-Filer files a motion that includes a proposed order or other proposed document, the motion itself must be filed through ECF and the proposed order or other document must be separately sent via e-mail to the Judge presiding in that case (Electronic Case Filing Policies and Procedures § 4.3).*
