To qualify for a position of Chief Probation Officer JSP-15, 16, or 17, a person must have a bachelor's degree from an accredited college or university (preferably a master's degree) and possess the following years of specialized experience, one of which must have been at the next lower grade level or its equivalent:

<u>JSP Grade Level</u>	<u>Years of Specialized Experience</u>
15	7
16	8
17	9

SPECIALIZED EXPERIENCE:

Progressively responsible experience in the investigation, supervision, counseling, and guidance of offenders in community corrections or pretrial programs is required. Substitution and Crediting of Substantial Management Experience:

Three years in a position of substantial management experience may be substituted for the requirement that one of the above years of specialized experience must have been at or equivalent to the next lower grade level.

Such experience typically includes financial management, space and facilities management, oversight of the information technology and human resources functions, and long and short-range planning. Possible titles indicative of this experience outside the judiciary would include president or vice president in charge of several departments or offices, director or assistant director in charge of several departments or offices, head manager or owner-operator of a medium to large company. PHYSICAL REQUIREMENTS:

The duties of probation officers require the investigation and management of criminal defendants or convicted offenders who may present physical danger to officers and to the public. In the supervision, treatment and control of these offenders, these duties require moderate to arduous physical exercise, including prolonged periods of walking and standing, physical dexterity and coordination necessary for officer safety and use of self-defense tactics. On a daily basis, officers face unusual mental and physical stress because they are subject to danger and possible harm during frequent, direct contact with individuals who are charged or convicted of committing federal offenses. Because officers must effectively deal with physical attacks and are subject to moderate to arduous physical exertion, applicants must be physically capable of efficiently performing these duties and are subject to fitness for duty evaluations. Vision and hearing must also be adequate to perform the duties listed safely and effectively. Travel within the state is required.

Prior to appointment, the selectee considered for this position may be required to undergo a medical examination and drug screening. Upon successful completion of the medical examination and drug screening, the selectee may then be appointed provisionally, pending a favorable suitability determination by the court.
