

Leadership University

On February 28, 2025, Circuit Judge Don Allen brought the Leadership University students on their "Inside the System" day to observe a hearing before U.S. District Judge S. Thomas Anderson. Judge Anderson discussed differences in State & Federal cases, the different roles within the Courthouse, and the rights of Defendants. Deputy U.S. Marshal Dave Clarke gave information on what the agency does, has jurisdiction over, & requirements to be a deputy.

Students asked multiple questions throughout the visit, one of which was asked of Defense attorney, Anna Cash, where she explained her representation of clients and the oath she took as an officer of the Court to defend their Constitutional rights. (Shown above).
