Magistrate Judge Annie T. Christoff	ECF_Judge_Christoff@tnwd.uscourts.gov

** There are special procedures for submitting proposed orders or other proposed documents, and they are more fully explained in the ECF User Manual. Generally, however, if an E-Filer files a motion that includes a proposed order or other proposed document, the motion itself must be filed through ECF and the proposed order or other document must be separately sent via e-mail to the Judge presiding in that case.*
