

Civics Day in Memphis

On September 20, 2023, the District Court will partner with the Federal Bar Association, Memphis-Mid South Chapter, and the Shelby County School District for Civics Day in Memphis. On this day, teams of federal judges and attorney volunteers will visit local schools to engage students in a program on the Bill of Rights. District Judges Parker and McCalla will stay behind and participate at the Courthouse with eighth graders from the Believe Memphis Academy.

The Bill of Rights program being presented on Civics Day was developed by the U.S. Courts. Click here for more information on the student activity [Bill of Rights Day | United States Courts \(uscourts.gov\)](https://uscourts.gov).
