

## Girls Scouts – Democracy for Ambassadors

September 18, 2025, Girl Scouts working on their Democracy for Ambassadors badge visited the Courthouse & heard from representatives from the U.S. Attorney's Office and also Judge Jon A. York and his law clerks. The Scouts learned the structure of the Federal Courts and how cases make it to the Supreme Court. They learned what type of cases are prosecuted and heard in civil court. Students were placed in different court staff roles in the Courtroom for them to experience first-hand what it's like to be in a specific role during a live hearing. The U.S. Marshal's Office also provided a tour with helpful information as to the ins and out of their agency.
