## **SHERIFF'S OFFICE AND U.S. MARSHALS SERVICE WARN CITIZENS OF JURY DUTY SCAMS**

---

The Shelby County Sheriff's Office, along with the U.S. Marshals Service, has received a number of complaints regarding telephone scams involving jury duty, outstanding warrants, or failure to appear. **These jury duty scams pretend to be officials with General Sessions Courts, State Courts, or Federal Courts.** The Shelby County Jury Commission will never ask past or prospective jurors for financial information, credit card or social security numbers, nor will they instruct you to purchase pre-paid gift cards to have warrants removed for failure to appear for jury service. No one will dispatch a law enforcement vehicle to come pick someone up to be arraigned for contempt of court. Please **DO NOT** provide any information to anyone claiming to be associated with the Courts of Shelby County, the Sheriff's Office, U.S. Marshals Service, State Courts, or Federal Courts. Please **DO NOT** leave your home to meet these individuals at ANY location and please **DO NOT** send any money. Should you receive a call of this nature, notify law enforcement.
