

**Investigative Services Detailed Budget Worksheet
for Non-capital Representations with the Potential for Extraordinary Cost**

This detailed budget worksheet is for use by counsel in preparing the summary of anticipated investigative services for representations that “appear likely to become or have become extraordinary in terms of potential cost” as set forth in section 230.26.10 of the Guidelines for Administering the CJA and Related Statutes, Volume 7A, *Guide to Judiciary Policy*. The figure at the end of each section should be transferred to the summary budget worksheet for submission to the court. (In some instances, the court may request the detailed worksheet as well as the summary.) The document automatically totals hours and dollar amounts.
